

## 2021 F.M. Hill Lecture

# Race, Ancestry and Kidney Disease – genetic epidemiology to clinical translation

with **Rulan S. Parekh, MD, MS, FRCP(C), FASN**

Vice President, Academics, Women's College Hospital  
Professor of Medicine, Division of Nephrology

via **Zoom videoconference**

[www.deptmedicine.utoronto.ca/CWMGR-2021-11-17](http://www.deptmedicine.utoronto.ca/CWMGR-2021-11-17)

Wednesday, November 17, 2021 @ 12:00 to 13:00

### LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. Summarize the risk of kidney disease in the U.S. among African Americans,
2. Predict the genetic risk of kidney disease, and
3. Consider the implications in the clinical management of kidney disease.

### EVALUATION & ATTENDANCE:

via [www.deptmedicine.utoronto.ca/CWMGR-2021-11-17](http://www.deptmedicine.utoronto.ca/CWMGR-2021-11-17)

Attendance for Maintenance of Certification credit will only be tracked if evaluation and attendance surveys are completed.
